## What do Liberty Wildlife and the Verde Canyon Railroad have in common?

### Bald Eagles of course!

On April 22 at Verde Canyon Railroad, where eagles are frequently a prized sight in the canyon, Liberty Wildlife's non-releasable eagles will be on display, up close and personal.

In celebration of the 20th anniversary of the Verde Canyon Railroad, Earth Day and the 10th Anniversary of the Verde Valley Birding and Nature Festival, Liberty Wildlife will bring education animals to the railroad staging area for a presentation. Learn about bald eagles, red-tailed hawks, great horned owls, and other native Arizona birds of prey, and see the magnificent animals for yourself.

The presentation will start at 11 am and education presenters will be available before and after for questions. The train leaves at 1 pm. To make train reservations, call 800-293-7245 or book online at [www.verdecanyonrr.com](http://www.verdecanyonrr.com).

Liberty Wildlife serves the valley and the state with wildlife rehabilitation and education programming. You can read more about our organization at [www.libertywildlife.org](http://www.libertywildlife.org) or contact us directly at 480-998-5550.
