

**FROM SEDONA:** Allow 40 minutes for the drive.

Go southwest toward Cottonwood on Hwy 89A to Cornville Road/Mingus Avenue. Turn right on Mingus Avenue and proceed west 1.8 miles to North Main Street (Historic 89A). Turn right and continue on Main Street through Old Town Cottonwood, past the turnoff for Tuzigoot National Monument until you see a sign on the corner that says "Verde Canyon Railroad." Bear right onto Broadway, cross the one-lane bridge and park in the designated parking across the street from the depot.

**Scenic byway alternative route:** Allow 40 minutes for the drive.

Go southwest toward Cottonwood on HWY 89A, which becomes Main Street once you enter Cottonwood. Continue to the traffic light at 89A and Main Street, turn left. At the fourth roundabout take the right exit on to Clarkdale Parkway. At the Stop sign on Main Street (in Clarkdale) turn right. Continue through Clarkdale's Historic Business District to Broadway until you see a sign on the corner that says "Verde Canyon Railroad." Turn left on Broadway, cross the one-lane bridge and park in the designated parking across the street from the depot.

**FROM PHOENIX:** Allow at least two hours for the drive.

Take I-17 north to exit 287 (Cottonwood, Camp Verde, Clarkdale). Turn left (west) over the freeway. Go on Highway 260 (approximately 14 miles to the fifth traffic light). Turn left at light. This is Main Street (Historic 89A). Drive through Old Town Cottonwood, past Tuzigoot until you see a sign on the corner that says "Verde Canyon Railroad." Bear right onto Broadway, cross the one-lane bridge and park in the designated parking across the street from the depot.

**Scenic byway alternative route:** Allow at least two hours for the drive.
